2025-2026 Financial Aid Information & Application

The mission of RBCS includes assisting parents in carrying out their God-given responsibility to guide their children to Christian maturity in accordance with biblical principles. Our desire for the RBCS financial aid program is to be able to provide Christian families a quality Christian education. **All financial aid comes from tuition paid for by parents or donors.** The Financial Aid process may take 2-6 weeks to complete after all required documentation has been submitted.

The Process:

Note: New students must have an active application and be in the Admission Process while applying for aid. Families may apply for Financial Aid at the same time they are applying for admittance to RBCS. Financial Aid decisions are only made after a student has completed the Enrollment Process, including a Family Interview, and has been Accepted.

Step #1. Complete online enrollment for your child(ren). This includes payment of the enrollment and capital improvement fees.

Step #2. Complete the RBCS Financial Aid Application- All applicants must submit a complete Financial Aid Application package (In case of divorce, separation, and/or non-married parents, both parents must apply for aid. If the student lives in the home of a grandparent or guardian, or if the grandparent or guardian pays for Tuition/Fees, they must apply for aid as well).

Step #3. Complete the FACTS Grant & Aid Online Application.

<https://online.factsmgt.com/grant-aid/inst/3FWSM/landing-page>

Login or create account to complete the application. FACTS will conduct the financial need analysis. A \$45 FACTS application fee will be required at time of application.

Step #4. Submit the Pastoral Reference Form- Parents must regularly attend and be a member of a local Christian, Trinitarian church. (If you have submitted this form on your application for this year, you do not need to submit it again.)

Step #5. Apply or reapply for a Florida School Choice Scholarship www.stepupforstudents.org

Please note returning families MUST renew scholarships each school year. (Family Empowerment Scholarship (FES-EO or FES-UA), or Florida Tax Credit (FTC).

FACTS will require you to send in some or all the following:

- Tax Documents such as W2's and 1099s
- Copies of all tax schedules for Business or Farm Income, Rental Property, S-Corp., Partnership, and Estate/Trust Income, if applicable.
- Copies of all Non-Taxable Income documents (Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and TANF). Be sure to include housing allowances in your reported income.

Financial Aid is approved on a first come/first served basis. Late submissions may greatly reduce your chances of receiving aid. All applicants will receive an award notification from RBCS by email. Award information will not be given by telephone.

Financial aid notifications will be sent via email. **All payment arrangements (drafts or pay in full) must be set-up within 10 business days of award notification to claim the financial aid award.** Failure to set up payment arrangements within 10 days will result in the forfeit of award monies. These funds will be made available to other families, and your financial aid package will have to go through the committee review process a second time. No pay-in-full discounts will be given to families who receive financial aid. Your enrollment fee is based on the date you have submitted a **complete** financial aid package.

In the case of divorced or separated parents, or parents who have never been married, both custodial and non-custodial parents are each required to submit a complete Financial Aid application (including FACTS and a Pastoral Reference) in order for their child to be considered for Financial Aid. In cases where one parent can/will not comply, the custodial parent should attach a written explanation and/or court order with this application. If grandparents, guardian or other family members live in the household and/or pay the tuition, they must submit complete Financial Aid application packages as well. Lack of information from either parent/grandparent/guardian may cause an arbitrary assessment of financial need to be made by the school, resulting in a lesser award or no award at all.
